

COLONIAL STATIONERY

was crude at its best. We know it is the fashion to praise everything that is old, but it isn't fair.

OUR STATIONERY

is entitled to as much respect as that of Washington's time. It is just as good and infinitely more graceful and pretty. Cheaper, too, by a great deal. Want some?

WOMAN'S SYMPATHY.

Is Proverbial—The Barre Women Are No Exception.

How much we owe to the sympathetic side of womanhood! When others suffer they cheerfully lend a helping hand. They tell you the means which brought relief to them that you may profit by their experience. Read the testimony by this woman.

Mrs. C. H. White of 25 West Street says: "Not constantly but far too often to be pleasant, for a number of years I had severe attacks of backache. It was sometimes difficult to sit down and just as hard to rise, and despite the fact that I exhausted all my knowledge of simple household remedies all the results I ever obtained were merely temporary. I was in pretty bad shape for some time, suffering both day and night, when I was induced to go to E. A. Brown's drug store for a box of Doan's Kidney Pills. I knew after a dose or two that they were working directly upon the kidneys, and as I continued the treatment relief became more positive. When I finished it that particular attack disappeared. I found Doan's Kidney Pills so effective a remedy for kidney complaint that I am certain that any person annoyed with backache or any of the incident ills which follow in the wake of either weakened or overtaxed kidneys will find relief if not positive cure, if they take a course of the treatment."

Sold for 50 cents by all dealers. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no other.
